1. Approval of last meeting's minutes

Last meeting's minutes were approved.

2. President report

David has nothing else additional to the agenda to report.

3. Treasurer report

We have around £370 left of our money and all of the money from the union. The bus trip has sold out so after expenses we will have £100 left. Mattias and Aline will make a budget for the summer to approximate how much profit we need to make on the ball. Aline will ask for suggestions on Facebook.

4. Bus trip

The bus trip has now sold out however David has some tickets for committee members.

5. Alumni weekend

The link for registration is up on the website however no one has signed up yet. As such we will change the ratio of tickets to 10 for alumni and 20 for students.

6. Events over the summer

David encourages the committee to think about what events we want to host this summer. Currently we have the following planned: a bonfire, movie night, a ball and bus trip.

7. Summer ball

Younger Hall has not replied to us yet. The committee needs to think about: food, activities, decorations, music and advertising. Porsiana will work on posters. Aline researched some promotional and decoration ideas. There is an overlap between the Great Gatsby and prohibition period so we can combine these ideas. She produced a powerpoint of ideas. We need to price and budget for this.

8. Any other competent business

None.
