MEDIA PACK

2017/18

WHO WE ARE

We are here wholly for The University of St Andrews students, to make the student experience as strong as it can be, provide services students need and to represent views to the University and beyond.

We are a charity registered in Scotland and we are mostly volunteers!

Our services range from bustling cafés - we have two, one on our main site and another in one of the oldest buildings in St Andrews on North Street, three busy bars and a very popular night club as well as a performance space and theatre. We host two busy retail outlets – a bookshop and retail unit for the University as well as having great society spaces, print facilities and a computer room.

WHAT WE CAN DO FOR YOU

Situated in the heart of St Andrews we can create any package tailored to your requirements. From **social media** ads to **providing staff** for your brand promotion. You could **sponsor an event** - from our weekly karaoke to our annual **graduation ball** or participate in one of our **fayres**. Giving you the opportunity to engage with students from the start of their University experience to the end.

SPACES

BUILDING & PIAZZA

Our piazza is a large area at the front of our building. This large flexible space lets you engage with passers-by on the main street of St Andrews and also catch students entering the building too! Feel free to bring your own gazebo or van and we can provide you with electricity if you need it.

RECEPTION

Use our stall space beside our main entrance to receive maximum footfall within the building.

RECTORS

Want to bulk buy on our coffee and hand it out free to students in your own branded cups? Or get branded cupcakes made and engage with students through the medium of food. Anything's possible!

THE MAIN BAR

Our Main Bar is a hive of activity from study sessions during the day to partygoers at night! This space is larger than reception and a great place to have slightly long chats with students.
