THIS SRC AND SSC NOTES:

1. There is not currently a position on the Accommodation Subcommittee in charge of publicity or marketing.

3. Another focus of the Accommodation Subcommittee is Halls and senior students.

THIS SRC AND SSC BELIEVES:

1. The current positions on the Accommodation Subcommittee are ambiguous and clarification would increase the efficiency of the subcommittee.
2. The subcommittee would be more efficient with an individual member focused on aiding the Accommodation Officer with this aspect.
3. The subcommittee would be more efficient with an individual member focused helping the Accommodation Officer with this aspect.
4. The Accommodation Subcommittee would benefit from more cohesive branding and better marketing.
5. A Communications Representative on the subcommittee would be able to focus on the marketing of the subcommittee and increase its presence within St. Andrews.

THIS SRC AND SSC RESOLVES:

1. To change the accommodation subcommittee structure as such that there is a Renting Representative, a Halls Representative and a Communications Representative.
