3.1.3. In order to opt out of the Association at any time other than Matriculation any student must make this known to the Association President who shall in turn report this to SRC and SSC and then to SAB for approval. To return to membership having successfully opted out, the same process will be followed.

Strike and replace with:

3.1.2 Students have the right to opt out of membership at any time and shall be made aware of this right, and how to exercise it, by such means as may be agreed between the University and Association from time to time.

3.1.3 Students who have exercised their right to opt out may choose to opt back in to membership at any time by notifying the Association and University, provided they are still eligible to be Ordinary Members.
