### **A MOTION TO AMEND THE SSC DEBATES SUBCOMMITTEE CONSTITUTION**

#### **THIS SSC & SRC NOTE:**

1. The current SSC Debates Subcommittee Constitution is not entirely reflective of the scope of the Subcommittee's responsibilities and roles on the Board of Ten
2. The current SSC Debates Subcommittee Constitution does not address the imbalance in the presence of various genders in terms of official speakers at Public Debates
3. The SSC Debates Subcommittee Board of Ten approved the proposed amendments at their meeting on 28<sup>th</sup> January 2015

#### **THIS SSC & SRC BELIEVES:**

1. An updated constitution that outlines the roles of the Debates Board of Ten roles more extensively is preferable to the current outdated constitution
2. An extensive effort should be made by the Subcommittee to include and encourage the presence of more genders at Public Debates in order to increase their participation in debating, a traditionally male dominated exercise
3. This addition to the constitution will improve the current gender imbalance in debating, and will ensure that in the future this prioritization is maintained

#### **THIS SSC & SRC RESOLVES:**

1. To update the SSC Debates Subcommittee constitution to reflect current practice
2. To add a clause ensuring that more than one gender is always included as an official speaker in the weekly Public Debates

#### **PROPOSED:**

Charlotte Andrew  
SSC Debates Officer

#### **OTHER SIGNATORIES:**

Fay Morrice      Annie Newman  
DOSDA            SRC Member for Gender Equality

Fallon Sheffield  
Association LGBT Officer

The exact enforcement of this definition in rules arbitration lies with the Elections Committee. References in the rules to activities that a candidate may not do apply to their entire team.

INFO BOX: While campaigning is prohibited outside of the designated period, you can start to prepare your campaign and assemble a campaign team in advance if you want. INFO BOX: There is a lot you're not allowed to do as a candidate, but there's even more that you are allowed to do. Candidates may hand in one poster to the library staff for display in the Main Library. Posters can be hung on the old railings on the southeast corner of the main Library building but not on the railings opposite the main entrance. 5.17. *Prohibited activity, et cetera* — No candidate may engage in blackmail, bribery, and harassment in relation to their campaign. Candidates should be mindful to ensure their safety and the safety of their team members.

## Section 6. Publicity.

6.1. *Budgeting compliance* — All publicity, online or physical, must be budgeted and, as a part of this, matched to receipts as relevant. As such, all publicity should be validated by the Elections Committee. Unauthorised publicity is prohibited and subject to penalty.

INFO BOX: Candidates are encouraged to be innovative and creative with their publicity tactics. Posters, stickers, banners, campaign websites, paid web ads, and social media profiles/pages are all common forms of publicity – subject to the rules in this section.

While your publicity must be budgeted, the materials to create your publicity are not required to be declared. This includes pens, paper, glue, scissors, glitter, string, tape, paint, and face paint. Recycled items that candidates acquire for free, such as cardboard boxes, may not be charged either – subject to the discretion of the Elections Committee.

If you have any questions on compliance with this section, please contact the Elections Committee or email [saelect@](mailto:saelect@). In particular, we encourage candidates to 'preview' printed materials with the Elections Committee digitally before printing to ensure your stuff meets the standard.

6.2. *Budget limitation* — The budget allocated to each candidate may only be used for publicity for that candidate.

INFOBOX: We now permit candidates to engage in 'slating' (or collaboratively campaigning under a single banner) in our elections. However, to ensure a fair and equal elections process, there are some rules for paid publicity: if a candidate wishes to refer to a slate of candidates to which they belong, they must include their own name and cannot name other candidates. Free online publicity may refer to multiple candidates, as long as it complies with other rules within this booklet (e.g. no personal attacks or offensive references to other candidates). As always, we

recommend submitting your publicity in advance to the Elections Committee for approval to ensure it complies with the rules.

6.3. *Students' Association and Athletic Union resources* — No candidate may use any Students' Association or Athletic Union resources to help their campaign.

6.4. *Poster sizes* — Posters for sabbatical candidates may not exceed the size of an A3 sheet of paper. Posters for all other candidates may not exceed the size of an A4 sheet of paper.

6.5. *Required elements* — Each printed poster and flyer must contain the date of the voting (5 & 6 March) and an encouragement to recycle. Posters and flyers for AU President candidates must also contain the Saints Sport logo.

6.6. *Regulation of banners* — Banners must be properly secured when put up, and no candidate may use any hanging weights (e.g., water bottles) as they pose a safety risk. The Elections Committee reserves the right to ask candidates to move or take down any banners.

6.7. *Edible goods* — All costs of production and/or purchase of any edible goods (e.g., cakes or sweets) must be reported to the Elections Committee and deducted from the candidate's budget. No candidate is permitted to give out free or discounted alcohol as a way of promoting their campaign.

6.8. *Offensive material* — No publicity should contain anything offensive. The Elections Committee retains the right to define what qualifies as offensive.

## **Section 7. Rule Breaking.**

7.1. *Rule compliance* — By electronically signing the online nominations form, candidates agree to comply with the Elections Rules.

*7.2. Rule monitoring* — It is the responsibility and authority of the Elections Committee to ensure a fair elections process by monitoring compliance and deciding when rule breaking occurs. With exception of the right to appeal mentioned in 7.6 and 7.7, the decisions of the Elections Committee are final.

*7.3. Notification limit* — The Elections Committee should be informed of any alleged rule breaking within 48 hours of the alleged infraction. Any individual may submit a report of rule breaking, and the Elections Committee may ask for further information and information of any witnesses to help reach a decision. The final deadline for complaints about rule breaking is 5pm on the Tuesday following the elections results.

*7.4. Result notification* — The Elections Committee will notify the informant of Section 7.3 of the Elections Committee's judgement by the end of the day of the submitted report. In the event of an affirmative decision by the Elections Committee that rule breaking occurred, the Elections Committee will separately notify the candidate in question.

*7.5. Rule breaking by team member* — If someone other than the candidate or their campaign manager has broken a rule, the candidate or campaign manager must have taken every reasonable step to prevent it and should attempt to rectify and compensate for rule breakings.

*7.6. Right to appeal* — Any candidate (except a candidate for AU President, see 7.7) found guilty of rule breaking by the Elections Committee may appeal that decision by submitting their case, in writing, to the Chair of the Students' Association Board, Chris Marks. Appeals must be made on the basis of:

- Bias or prejudice,

- Procedural irregularity.

7.7. *Right to appeal, AU President* — Any candidate for AU President found guilty of rule breaking by the Elections Committee may appeal that decision by submitting their case, in writing, to Professor Verity Brown, Vice Principal (Enterprise & Engagement). Appeals must be made on the basis of:

- Bias or prejudice,
- Information not known at the time, or
- Procedural irregularity.

7.8. *Penalties* — In response to rule breaking, the Elections Committee may, depending on the severity of the case, issue punishments such as written warnings, fines, disqualification of part or all of budget reimbursement, or disqualification from the election.

## **Section 8. Voting & Results.**

8.1. *Voting method* — Each student shall have a single transferable vote for every election. Voting will be conducted online.

8.2. *Results Verification* — Results are subject to verification by a nominee of the Students' Association Board and of the University Court that the process was fair. ## **R. 15-2**

### **A Motion To Oppose Scottish Prevent Duty Guidance And The Associated Counter Terrorism and Security Bill**

#### **THIS SRC NOTES:**

1. The New anti-terror legislation is currently before the Westminster Parliament. The Home Office recently held a consultation on draft guidance to be issued under the Counter-Terrorism and Security Bill. The guidance articulates the “duty” of specified authorities within anti-radicalization efforts, namely the UK wide *Prevent* strategy.
2. It is the intent of the Bill that the duty will extend to Scotland, though at present no Scottish authorities are listed in Schedule 3 to the bill. As such, the Scottish Government has issued its own draft guidance which “reflects the broad principles of the UK guidance but is appropriately adapted for a Scottish audience.”
3. As a major target of this legislation, the higher education sector has offered robust feedback in both Scotland and the wider UK.
4. A petition has been launched by the Student’s Association and its national partners against this legislation.

#### **THIS SRC BELIEVES:**

1. The guidance has the potential to create an atmosphere that is not only harmful to our university community but actually undermines its security by compromising current relationships and avenues for information exchange.
2. The language of ‘duty’ is problematic, effectively serving to deputize individuals throughout institutions and students’ unions alike, as enforcers and proponents of the program. (pg. 7, 8 and 9)
3. The guidance offers insufficient controls on information sharing expectations, including the responsibility to share the private information about so-called “vulnerable individuals.” (pg. 18)
4. The guidance fails to recognize the difference between students unions and their parent institutions, and that they are legally separate entities. Furthermore, it places unrealistic requirements that institutions ensure the ‘duty’ is observed with respect to with student unions and societies, and an ‘expectation’ that students unions and societies cooperate with these policies. (pg. 18)
5. The guidance poses significant threats to academic freedom. Firstly, through policies that could restrict the ability of institutions to host certain events or speakers (pg. 19). And secondly, through intrusions that would encourage the use of IT filters on networks and campuses. (pg. 20)
6. The guidance advocates inappropriate intrusions in to the management of prayer rooms and other faith related facilities. (pg. 20)

**THIS SRC RESOLVES:**

1. To oppose the Scottish Prevent Duty Guidance and the associated Counter Terrorism and Security Bill.
2. To sign the petition currently circulating in opposition to the guidance.
3. To mandate the SRC External Campaigns Officer to promote the petition.
4. To task the Students' Association President with lobbying against the guidance at a national level.
5. To encourage the University to be vocal in opposition to this guidance.
