

VOTE JACK FOR ALUMNI OFFICER

CONNECTIVITY ACCESS NETWORK

We CAN:

- more **meaningfully** engage alumni
- create **better opportunities** for current and future students

JACK FOR ALUMNI OFFICER

THE CAN-IFESTO

CONNECTIVITY

- **Open up the alumni network to student societies** by liaising directly with society Presidents and Events reps.
- Build upon the work of Saint Connect to: i) **create an 'opportunities hub'** for work experience and internships and ii) **create a 'mentoring hub'** specifically for longer-term mentoring relationships between students and alumni

ACCESS

- Create a framework for graduating classes in each Faculty to make an immediate alumni contribution by **creating new scholarships**.
- Have **alumni match-fund these scholarships**. If you put in £15 to the scholarship fund, I'll find an alumnus to match it. (Maybe for Alumni Weekend, they can double it!)

NETWORK

- **Double the size of the Alumni Weekend** by utilising our alumni's networks and expanding the alumni subcommittee - creating more opportunities for students in the process
- **More alumni-student joint events** beyond Alumni Weekend
