CAMPAIGN STATEMENT BY SAMUEL E. DUNT

Member for First Years Candidate

I have decided to refrain from drawing up an extensive manifesto for this role. It's all well and good to do so, however personally I don't think it's suitable for this role.

We have all experienced for ourselves, from our experience over the last year how difficult it is to plan ahead. Therefore, I believe that we need to refrain from committing ourselves, as we out to remain **adaptable** for next year's students. I also want to refrain from making promises which I cannot keep. However, these are the three key points which I will **champion** for First Years throughout my term:

Accessibility,

Networking,

Inclusivity,

These are the three points which I will hammer during my term, as I believe when we can fulfil them, we can create a **community** which encourages students **ever to excel**. Over the coming year, in conjunction with my fellow council members to work together to put in place a **support** network which will ensure that all first years get the most from their St. Andrews experience. Know that I will be a **strong voice** for first years on the SRC, and I will remain adaptable depending on the requirements of my electorate.

LET'S BUILD A BETTER TOMORROW, TODAY!
