VISION

By accomplishing the goals detailed in my Mission Statement, I envision the School of Management becoming a place where every student feels supported, engaged, and valued.

MISSION STATEMENT

Forging a stronger sense of community;
Facilitating dialogues;
Fostering new relationships and continuing communication:
"The Three F's."

EXPERIENCE

I have been elected as Management Class Representative for my grade for the past two years. I was also selected to be the Career Representative last year; and moved on to becoming the Undergraduate Social Representative this year. I serve on the EDI Student Committee. These roles and experiences, have given me the skills necessary to succeed as your President.

SUMMARY

I would be honored to continue advocating for all students in the School of Management as its President. I have the necessary skills and drive to ensure that everyone's voice is listened to and supported. I want to help students, no matter their year of study, feel more connected to the School. My plan is to accomplish the "Three F's" and ensure every student feels championed.
