# **IF ELECTED I WOULD STRIVE TO:**

- Arrange enjoyable social events in the wake of Covid-19 restrictions to promote and enhance the community feel within the department
- Collaborate with GeolSoc to arrange day trips to a range of relevant workplaces to promote career awareness
- Arrange a diverse range of career talks through Alumni
- Ensure a smooth transition to the Bute building, with adequate study space and access to the IT laboratory
- Further develop and promote Equality, Diversity and Inclusion across the department
- Address any concerns from the student body in a timely manner
- Promote the mentoring scheme to reach its full potential
- Improve mental health support and guidance
