

A Motion to restructure the STAR committee.

These SSC notes:

1. STAR committee currently have the positions of Programming, Publicity and Creative.
2. The positions of programming, publicity and creative have many overlapping responsibilities.
3. The positions can require a significant time commitment.

The SSC believes:

1. The overlapping responsibilities can lead to inefficiency and a lack of clarity.
2. That spreading the responsibility among four (rather than three) roles would benefit the productivity of the committee.

The SSC resolves to:

1. To Update chapter twenty-four of the Laws.
2. To remove the current SSC Broadcasting Constitution (Appendix A) and replace It with Appendix B.
