

SRC Member for Widening Access & Participation

April - March, Part-Time, Voluntary

Aim

The role is to ensure that the University's diverse student population is represented within St Andrews

Key responsibilities

What you will be doing:

- Promote widening access & participation initiatives and voluntary opportunities to the student body.
- Ensure that students coming from a widening access & participation background are well represented.
- Represent the Students' Association on University open days
- Be an active member of the Equal Opportunities Committee
- Serve on the Students' Representative Council

How you will be doing it:

- Regularly communicate via online channels and in person with students regarding access and participation
- Report to the SRC on matters relating to widening access & participation
- Liaise regularly with the University Admissions, the Principal Ambassador, the Association President, the Director of Representation, and other elected officers.

Useful skills or characteristics

- Have an interest in widening access & participation for students at the University of St Andrews
- Have knowledge and understanding of the diversity of the student population
- Have a wide outreach with the student body
- Be adaptable and communicative
- Have good organisational skills

Skills you can expect to learn/develop

- Develop confidence and communication skills.
- Improve time management skills.
- Get a better understanding of the University, its widening access & participation initiatives, and higher education in general.

Expected time commitment

On average, you will spend between 5-8 hours a week on this role.
